Any links provided to other websites are offered as a matter of convenience and in no way are meant to imply that TraderVPS endorses, sponsors, promotes or is affiliated with the owners of or participants in those sites, or endorses or warrants any information contained on those sites, unless expressly stated. Furthermore, TradersVPS does not endorse, guarantee or warranty any third party products advertised on its site, in its promotional materials, or otherwise referenced in any information provided by TradersVPS or derived from TraderVPS's website, and TraderVPS expressly disclaims any responsibility and accepts no liability with respect to such information and products. TradersVPS may receive a fee from a service provider that has a link or advertisement on TraderVPS's website or is referenced in the information provided by TraderVPS.

Our Commitment to Children's Privacy

Users of this website must be at least (18) years of age and have the legal authority to accept the General Disclaimer and Terms and Conditions. MTI does not knowingly collect or solicit information from anyone under the age of 18. If you are under the age

of 18, you should use this website only with the involvement of a parent or guardian and should not submit any personal information to us. Additionally, we do not solicit, collect, or maintain information at our website from those we actually know are under the age of thirteen (13).

Market Opinions

Statements regarding income, whether expressed or implied, do NOT represent a guarantee. Any opinions, news, research, analysis, prices, or other information contained on this website or other promotional material is provided as general market commentary, and does not constitute investment advice or a solicitation to buy or sell any Tradabe Commodity. TraderVPS will not accept liability for any loss or damage, including without limitation to any loss of profit, which may arise directly or indirectly from use of or reliance on such information.

Celebrity Endorsement

Celebrity endorsers may be compensated to recommend TraderVPS and its products. The content, including any positive reviews of TraderVPS and its programs, may not be neutral or independent.

Cryptocurrency

Trading on any market (FOREX, Stock, Cryptocurrency, etc...) on margin carries a high level of risk, and may not be suitable for everyone. Past performance is not indicative of future results. The high degree of leverage can work against you as well as for you. Before getting involved in the trading of any market you should carefully consider your personal venture objectives, level of experience, and risk appetite. The possibility exists that you could sustain a loss of some or all of your initial deposit and therefore you should not place funds that you cannot afford to lose. You should be aware of all the risks associated with trading, and seek advice from an independent financial advisor if you have any doubts. The information contained in this web page does not constitute financial advice or a solicitation to buy or sell any Trading contract or securities of any type. TradersVPS will not accept liability for any loss or damage, including without limitation any loss of profit, which may arise directly or indirectly from use of or reliance on such information.
